*The Pierre Part/Belle River Business Group would like to congratulate you on your accomplishment of graduating from high school or receiving your GED. You have spent twelve to thirteen years of your life in classrooms and as a young adult; you may choose to continue your education in College or Vocational School. Whichever you choose is a good decision, but very costly. The **Business Group** would like to help all students with this financial burden, but unfortunately, we cannot. Therefore, we have put together a scholarship for at least one individual this year.*

You may type or handwrite an application. Use this form as your cover sheet. **In three hundred words or less, tell the Business Group about yourself and why you deserve this scholarship.** We will choose a recipient from what you submit. Please do not include your name on the application. Your response about yourself along with your GPA and ACT score will be the determining factors in our selection process. Choose your words wisely and good luck!

*Please mail in your completed application to the Pierre Part/Belle River Business Group
